Re: **EM-VER-057-160729 – Cellco Partnership d/b/a Verizon Wireless
36 Ritch Avenue, Greenwich, Connecticut**

Dear Ms. Bachman:

On August 23, 2016, the Siting Council (“Council”) acknowledged receipt of the above-referenced exempt modification filing for Cellco’s existing telecommunications facility at 36 Ritch Avenue in Greenwich, Connecticut. The purpose of this letter is to notify the Council that the facility modifications approved in EM-VER-057-160729 will not be completed. Cellco will not, therefore, be supplying the Council with a construction completion notification.

Recently, Cellco received Council approval for similar modifications to the 36 Ritch Avenue facility approved in EM-VER-057-170206. These modifications have now been completed. The required notice confirming that this work has been completed was filed with the Council on October 23, 2017.

If you have any questions please contact me.

Sincerely,

Kenneth C. Baldwin
